600W x 400L

MORE INFORMATION

Waterproof membrane

Accidents and spills become a minimal issue with the specially crafted waterproof membrane designed to protect your bedding at all hours of the day and night.

Hypoallergenic

Allergy sufferers rejoice! Low allergy, low irritant, highly important!

Super soft bamboo fabric

Bamboo isn't just for pandas anymore! We've covered this design in luxurious bamboo fabric that is not only buttery soft but also helps to thermoregulate through the night - meaning it stays cool in summer and cozy in winter!

Washing machine friendly

Phew!
