# **MORE INFORMATION**

### **Premium Rhino fabric**

Rhino fabric is made from 100% polyester, is 600 denier (very thick and durable), and water resistant! So fear not, this design is definitely not made of Rhinos, but it's definitely just as strong and resilient as one!

#### **Power mechanism**

This beautiful recliner has an in-built power mechanism that allows for adjustable comfort at the press of a button. Effortlessly recline your seat and return it to the upright position with the easily accessible controls.

### Matching product range available

Looking to complement this design with another? We've planned ahead for you. We offer a matching product range under the same name - give it a search and start mixing and matching!

#### Pick your colour

Customise your furniture to suit your room, not the other way around. This design has multiple colours available so the choice is truly yours!
