Timeless design

This design is one of our classic pieces that we love for their ability to always stay in style. With an elegant and classic silhouette, a beautiful finish, and a timeless design, this piece will be a staple in your household for many years to come.

Timber slats

Feel supported and comfortable all night long with this bed's inbuilt timber slats. Timber slats are flexible enough to allow for movement and adjustment while maintaining a firm support. In double or larger beds we add two separate sets of slats for either side. This allows for one side to adjust without affecting the whole bed, which means even if your partner is tossing and turning, you won't be!
