There's just something about a fabric bed frame that feels a little bit fancy in our eyes, so we've made sure that this bed frame is covered head to toe in a luxurious upholstered fabric. Because everyone deserves to feel a little bit fancy!

Contemporary look

We scour Pinterest boards, Instagram feeds, and all the latest trends to find cutting edge contemporary looks and designs to supply to you and we believe this design captures all of the best bits of that research. This piece is modern and trendy, but timeless enough to suit your room for years to come.

Center support rail

This bed is fitted with a center support rail which not only adds a world of difference to your comfort, but also helps prevent damage to your bed and mattress. Without a center support rail you risk your bed sagging in the middle over time which warps both your mattress and your bed's slats. No thank you!
