This piece is modern and trendy, but timeless enough to suit your room for years to come.

Easy to assemble

Forget spending hours trying to make sense of indecipherable assembly instructions, this design is very easily assembled so you can spend less time decoding and more time admiring your new addition.

MDF/metal construction

MDF stands for medium-density fibreboard which is a denser form of plywood but with a flatter, more stable, and silky-smooth feel to it. This paired with metal accents makes this design both beautiful and resilient.
