Contemporary look

We scour Pinterest boards, Instagram feeds, and all the latest trends to find cutting edge contemporary looks and designs to supply to you and we believe this design captures all of the best bits of that research. This piece is modern and trendy, but timeless enough to suit your room for years to come.

Easy to assemble

Forget spending hours trying to make sense of indecipherable assembly instructions, this design is very easily assembled so you can spend less time decoding and more time admiring your new addition.

Matching product range available

Made with MDF and Oak timber

MDF stands for medium-density fibreboard which is a denser form of plywood but with a flatter, more stable, and silky-smooth feel to it. This paired with Oak timber, an incredibly strong and sturdy timber with a beautiful straight grain finish, makes for the perfect pairing.

Ideal for small spaces

This design is compact in width making it perfect for smaller spaces. But what it lacks in width, it well and truly makes up for in style.
