MORE INFORMATION

Pick your colour

Customise your furniture to suit your room, not the other way around. This design has multiple colours available so the choice is truly yours!

Matching product range available

Looking to complement this design with another? We've planned ahead for you. We offer a matching product range under the same name - give it a search and start mixing and matching!

Get the trendy industrial look

Clean lines, metal meeting timber, bold silhouettes, and an overall 'cool' look typifies the industrial furniture trend. Popular in New York City lofts and that cool bar down the road, this trend is definitely here to stay.

Available in matte or gloss

This design is available in a cool matte black or an elegant glossy white finish to keep your space looking chic.

Sleek metal construction

The sleek metal finish on this design isn't all just for show. It's also there to give this product a sturdy and long lasting construction.
