MORE INFORMATION

Pick your bed size

This bed is available in your choice of size! Select your size above or check out all the dimensions below to help make your decision.

Double sided mattress

While one-sided mattresses are built from the bottom up, this mattress is built from the core outwards meaning you can flip your mattress to any side and experience the same level of comfort and support!

Center support system

We've divided up this mattress into sections, so the places that need the most support are ready to give it! The center of our mattresses is a higher density foam to help support your hips and back with the right level of support they need. Thank us later!

Cotton/polyester fire retardant cover

Stay safe and comfortable in bed with this mattress's fire retardant cotton/polyester cover that is both soft and durable, and a safe option for all homes.

High density foam

Luxurious high density foam creates cloud like comfort from the inside out

Full perimeter edge support

Edge support is what prevents sagging around the edge of your bed that is sometimes caused by sitting or sleeping on the edge of your bed. With full perimeter edge support you can sleep easy knowing your mattress will stay perfectly in shape for years to come.
