

Do you want a lift chair that is stylish, comfortable, and functional? Meet the Boston, a stunning piece that will make any room look amazing! This beauty isn't just a looker, it also has a handy remote and helpful dual-motor lift function that can get you back on your feet with ease.

## DIMENSIONS

880W x 950D x 1100H

## MORE INFORMATION

### **100% leather!**

Not 50%, not 90%, but 100% leather! We've covered this design in 100% soft touch leather because you deserve only the best.

### **High back seating**

Sit back and relax with this design's high back seating, designed for extra support and comfort (the fact that it also looks elegant and sophisticated is just an added bonus!)

### **Lift yourself back to a standing position**

This lift chair makes getting yourself back on your feet incredibly easy. At the push of a button this chair will safely lift you forward into a comfortable standing position.

### **Powered lift and recline function**

This chair can not only recline all the way back into ultimate comfort, but will also lift up and forward, to make life just that little bit easier.

### **Remote controlled**

Don't fiddle with sporadically placed buttons in unreachable positions, this chair keeps all control at your fingertips with the handy remote control. Change and adjust your seating positions at the push of a button with the handheld remote control.
