MORE INFORMATION

Renewable hardwood timber

This design is crafted from high quality renewable hardwood timber so you can be assured that not only are you getting the highest quality furniture, you are also supporting climate-friendly renewable land use. Good on you!

Matching product range available

Looking to complement this design with another? We've planned ahead for you. We offer a matching product range under the same name - give it a search and start mixing and matching!

Easy to assemble

Forget spending hours trying to make sense of indecipherable assembly instructions, this design is very easily assembled so you can spend less time decoding and more time admiring your new addition.

Round table top

Break up your room's rhythm with a round table top instead of the traditional rectangular or square shape. Round tabletops can add dimension and more flow to a room in an instant, and they can also occasionally fit and make more room in spaces that their more square counterparts cannot!

Timeless design

This design is one of our classic pieces that we love for their ability to always stay in style. With an elegant and classic silhouette, a beautiful finish, and a timeless design, this piece will be a staple in your household for many years to come.
