MORE INFORMATION

Gas lift mechanism

When it comes to seats, one size doesn't always fit all. That's why we've ensured that this design is fitted with a gas lift mechanism that lets you adjust your sitting height at the pull of a lever.

Swivel seat

Get the full 360° view of your space with the ultra handy built-in swivel seating.

On castors for easy movement

We don't want you risking scratching your floor or ruining the carpet by pushing and pulling this design around so we've made sure it is affixed with castors so you can easily wheel it out and back in place! Too easy!

Pick your colour

Customise your furniture to suit your room, not the other way around. This design has multiple colours available so the choice is truly yours!
