MORE INFORMATION

Spinetech double tempered springs

You can be sure you're getting only the highest quality spring units with the double tempered springs included in this mattress. Twice tempered for extra durability, strength, and support.

3 zone spring system

Support your spine throughout the night with the innovative 3 zone spring system that provides 3 areas of individualised support for where you need it most

Full perimeter edge support

Edge support is what prevents sagging around the edge of your bed that is sometimes caused by sitting or sleeping on the edge of your bed. With full perimeter edge support you can sleep easy knowing your mattress will stay perfectly in shape for years to come.

30mm inner comfort layer

This mattress sports 20mm of luxurious high density foam inner comfort layering to create cloud like comfort from the inside out

27mm surface comfort layer

Once you settle into the 27mm surface comfort layer of this mattress you'll wonder how you ever lived without those extra millimeters. This added layer creates a plush feeling that contours to your body, hugging and supporting the areas where you need it most.
