MORE INFORMATION

Pick your colour

Customise your furniture to suit your room, not the other way around. This design has multiple colours available so the choice is truly yours!

Perfect for guests

Whether you're having family in from out of town or a weekend sleepover for the kids, this design is perfect for hosting overnight guests!

Folds out flat

Instead of many sofa beds that pull out into a mattress, this design actually folds back into a flat padded surface for guests.

Linen weave fabric

Linen weave fabric has the look and feel of light and breezy linen but has the strength and durability of a woven fabric. That's what we call a win/win.
