MORE INFORMATION

2500 series pocket springs

This mattress is jam-packed with micro pocket springs designed to contour perfectly to your body. Plus, with individual zones of support, this mattress will provide support you where you need it and relief where you don't.

Protection against allergies and asthma

This mattress is covered by a health vantage protection that helps prevent and protect you from allergy and asthma symptoms commonly caused by other mattresses. No sneezing or wheezing with this mattress in your bed!

ViscoCare gel foam

Do you sometimes overheat during the night? ViscoCare gel foam infuses memory foam with gel particles to help prevent you from getting too cold or too hot overnight. On top of that, it also provides better support, breathability and body contouring!

Proudly W.A. made and owned

This design is proudly Aussie made, owned, and sold! Rest easy knowing you're supporting local business and product manufacturing with your purchase.

Tencel fabric yarn for next level comfort

This mattress is created with tencel fabric yarn, a natural luxury fibre that is incredibly soft to the touch, very absorbent, and provides a fuller, plusher feel to your mattress.
