

Sleep easy knowing your pillows are both extra comfortable and protected against any accidental stains, damages, and any pesky little dust mites that cause allergic reactions.

## MORE INFORMATION

### 3 layers of comfort protection

Guardsman have worked hard to make sure their bedding protectors both function efficiently and add a world of comfort to your bed. This product is fitted with a three layer system that adds plus comfort, support and protection to your bed so you can rest easy.

### Waterproof membrane

Accidents and spills become a minimal issue with the specially crafted waterproof membrane designed to protect your bedding at all hours of the day and night.

### Guardsman brand protector

When it comes to protecting your bedding, Guardsman's reputation is as sparkly as your furniture will remain. Guardsman are the go-to name in bedding protection and top quality products, so we are very proud to stock their magical tools, items, and kits, and even more excited to pass them on to you.
