MORE INFORMATION

Honeycomb board

We call this material honeycomb board because of the hexagonal inner structure that looks just like honeycomb! This structural shape makes the board strong, and able to bear much stronger loads whilst still keeping it lightweight.

Matching product range available

Contemporary look

We scour Pinterest boards, Instagram feeds, and all the latest trends to find cutting edge contemporary looks and designs to supply to you and we believe this design captures all of the best bits of that research. This piece is modern and trendy, but timeless enough to suit your room for years to come.

Scratch-resistant MB Foil

This product is finished with MB Foil which is designed to give this design resistance to scratches, abrasions, scuffs and other day-to-day mishaps you may naturally encounter.

Includes handy storage shelf/s

No matter how much storage your home has, it's just never enough! So we like to fit storage shelves in wherever we can and this design is no exception. Easily store away your knick-knacks and clutter to keep your space looking spic and span.
