MORE INFORMATION

Honeycomb board

We call this material honeycomb board because of the hexagonal inner structure that looks just like honeycomb! This structural shape makes the board strong, and able to bear much stronger loads whilst still keeping it lightweight.

Contemporary look

We scour Pinterest boards, Instagram feeds, and all the latest trends to find cutting edge contemporary looks and designs to supply to you and we believe this design captures all of the best bits of that research. This piece is modern and trendy, but timeless enough to suit your room for years to come.

Trendy timber legs

Timber legs add a beautiful modern flair to the overall design of this piece. Plus: it makes it far easier to clean underneath! We call that a win/win.
