

Double the storage, double the style. The Industrie TV/DVD Unit is complete with three large storage cupboards to fit DVDs, games, and that old video game console that you just can't bear to part with.

## MORE INFORMATION

### **Get the trendy industrial look**

Clean lines, metal meeting timber, bold silhouettes, and an overall 'cool' look typifies the industrial furniture trend. Popular in New York City lofts and that cool bar down the road, this trend is definitely here to stay.

### **Matching product range available**

Looking to complement this design with another? We've planned ahead for you. We offer a matching product range under the same name - give it a search and start mixing and matching!

### **Powder-coated steel frame**

Powder coating is a dry finishing process that adds a high quality and durable finish to the steel in this design. Powder coating ensures that your new household addition will be protected and looking good for years to come.

### **Includes plenty of storage nooks**

If you're like us, no storage is ever enough storage! Stash away clutter and keep your room looking lovely with the storage shelves, drawers, nooks, and crannies.
