MORE INFORMATION

Soft touch Syntech material

ComfortStyle's specialised Syntech material offers next level comfort, ultra soft seating, and a timeless look that you're sure to fall in love with.

Pick your colour

Customise your furniture to suit your room, not the other way around. This design has multiple colours available so the choice is truly yours!

High back seating

Sit back and relax with this design's high back seating, designed for extra support and comfort (the fact that it also looks elegant and sophisticated is just an added bonus!)

In-built recliners

This product is fitted with in-built recliners! Pop on a movie, grab a blanket, recline, and you've got a one way ticket to ultimate relaxation.

Easy clean, well wearing material

We've fitted this design with easy clean material so you can stop stressing over everyday smudges, stains, and spills. This material also wears very well, meaning you can rest easy knowing it will keep its good looks for years to come.

High density resilient foam

Nobody wants their furniture to be misshapen and uncomfortable. That's why this piece is built with high quality dense and very resilient foam that will hold its shape and provide comfort throughout all uses.
