

Capture the effortlessly cool industrial style with the Industrie Dining Suite. This simple but bold suite is a must have for all lovers of contemporary, bold design.

## MORE INFORMATION

### Fully upholstered seating

This design is fitted with a fully upholstered seat back and base to give you that extra degree of comfort while you sit. It's just an added bonus that it happens to also look great.

### Get the trendy industrial look

Clean lines, metal meeting timber, bold silhouettes, and an overall 'cool' look typifies the industrial furniture trend. Popular in New York City lofts and that cool bar down the road, this trend is definitely here to stay.

### Powder-coated steel frame

Powder coating is a dry finishing process that adds a high quality and durable finish to the steel in this design. Powder coating ensures that your new household addition will be protected and looking good for years to come.

### Bold metal accents

This design really packs a punch with the addition of bold metal accents. This design feature not only adds strength and stability to the piece but it gives it that bold and contemporary look that we love.

### Matching product range available

Looking to complement this design with another? We've planned ahead for you. We offer a matching product range under the same name - give it a search and start mixing and matching!
