Customise your furniture to suit your room, not the other way around. This design has multiple colours available so the choice is truly yours!

Pick your size

Fan of this design but not the size? Search the product name and you'll find size option/s available right now to suit your space!

Honeycomb board

We call this material honeycomb board because of the hexagonal inner structure that looks just like honeycomb! This structural shape makes the board strong, and able to bear much stronger loads whilst still keeping it lightweight.
