## MORE INFORMATION

### Extension tabletop

But wait&hellip; there's more! This tabletop extends outwards to make for a fuller surface area, perfect for hosting more guests or just adding a little more room!

### Matching product range available

Looking to complement this design with another? We've planned ahead for you. We offer a matching product range under the same name - give it a search and start mixing and matching!

### Mango veneers and engineered wood construction

Mango wood is a sustainable hardwood with dense grains making it strong and able to stand wear and tear like a champ. This design pairs sustainable mango wood with engineered wood that is specifically selected to keep your design strong and looking good.
