## MORE INFORMATION

### Matching product range available

Looking to complement this design with another? We've planned ahead for you. We offer a matching product range under the same name - give it a search and start mixing and matching!

### Wire brush finish

Wire brushing creates a subtle but smooth texture to timber or metal while keeping it pleasant to the touch. This process both adds a stylish textured effect to your piece as well as increasing the durability and masking any small scuffings.

### No assembly required

Ditch the complicated assembly booklets and save your time because this design comes fully assembled!

### Full extension ball-bearing runners

Ball bearing runners ensure that your drawers will always open and close smoothly and with ease.

### Plantation grown acacia timber

Acacia timber has been used for millions of years due to its beautiful finish, strength, resistance to wear-and-tear, and ease to care for. Plus, by choosing a product with plantation grown timber, you are supporting sustainable plantation harvesting, a process that yields high quality timber without harming the earth - good on you!
