Full extension ball-bearing runners

Ball bearing runners ensure that your drawers will always open and close smoothly and with ease.

Wire brush finish

Wire brushing creates a subtle but smooth texture to timber or metal while keeping it pleasant to the touch. This process both adds a stylish textured effect to your piece as well as increasing the durability and masking any small scuffings.

No assembly required

Ditch the complicated assembly booklets and save your time because this design comes fully assembled!

Plantation grown acacia timber

Acacia timber has been used for millions of years due to its beautiful finish, strength, resistance to wear-and-tear, and ease to care for. Plus, by choosing a product with plantation grown timber, you are supporting sustainable plantation harvesting, a process that yields high quality timber without harming the earth - good on you!
