MORE INFORMATION

Brushed metal handles

Brushed metal is metal that has a satin finish and beautiful, distinctive texture. This design is affixed with brushed metal handles to keep your piece looking sleek and chic.

No assembly required

Ditch the complicated assembly booklets and save your time because this design comes fully assembled!

Full extension ball-bearing runners

Ball bearing runners ensure that your drawers will always open and close smoothly and with ease.

Matching product range available

Looking to complement this design with another? We've planned ahead for you. We offer a matching product range under the same name - give it a search and start mixing and matching!

New Zealand pine timber

Of course our neighbours New Zealand supply the best quality pine on the market! New Zealand pine is natural, strong, and sustainable making it an ideal material for our designs. This pine accepts stains like a champ as you can tell from the gorgeous warm finish on this design.

Cord management holes

We can all probably agree that tangled cords are the worst. So keep all your cables easily in check with the discrete in-built cord management hole/s in the back of this unit.
