MORE INFORMATION

PU fabric

PU fabric (also known as vegan leather) is a breathable, durable and easy clean fabric that makes for great and sparkly clean furniture

Center support rail

This bed is fitted with a center support rail which not only adds a world of difference to your comfort, but also helps prevent damage to your bed and mattress. Without a center support rail you risk your bed sagging in the middle over time which warps both your mattress and your bed's slats. No thank you!

Easy to assemble

Forget spending hours trying to make sense of indecipherable assembly instructions, this design is very easily assembled so you can spend less time decoding and more time admiring your new addition.

Fully upholstered headboard

There's just something about a fabric headboard that feels a little bit fancy in our eyes, so we've made sure that this headboard is covered head to toe in a luxurious upholstered fabric. Because everyone deserves to feel a little bit fancy!
