Ideal for small spaces

This design is compact in width making it perfect for smaller spaces. But what it lacks in width, it well and truly makes up for in style.

Superior bed base support system

An unsupportive bed is like a watch that doesn't tell the time — it's not doing one of its most important jobs! This bed is built to provide you with unparalleled support all night long to help mitigate back and neck pain and give you an amazing night's sleep.

Slide out desk

This bed features a slide out desktop to make all class assignments ten times easier to get done in time. No more excuses for not doing your homework!

Reverse ladder option

Does the ladder on this design not quite suit your room's layout? No sweat! We can easily flip the ladder onto the other side of the model to help it fit your bedroom like a glove.
