## MORE INFORMATION

### **Pocket on Pocket Spring**

A combination of mini pocket and regular pocket springs create a very firm sleeping surface and provides exceptional spinal support.

### **Gel Memory Foam**

This foam supports your core and the gel infusion helps transfer heat away from your body to keep you cool!

### **Convuluted Foam Layer**

The premium quality convoluted foam layer adds comfort as well as helps heat dispersion by increasing air flow throughout the mattress.

### **Bamboo Charcoal Quilting**

Helps to promote blood circulation throughout the body and also relieves stress and fatigue. Resulting in improved overall sleep quality.

### **Foam Box Construction**

This design is fitted with a high density foam box that runs around the outer edge of the mattress to provide full edge support.

### **Meets CertiPUR-US Standards**

CertiPUR-US is an international standard for foam production which ensures all the foams are safe and do not contain any nasty chemicals!

### **Meets OEKO-Tex Standards**

Oeko-Tex certification indicates the fabrics used are free of hazardous chemicals and are both non-toxic and safe!
