Get the trendy industrial look

Clean lines, metal meeting timber, bold silhouettes, and an overall 'cool' look typifies the industrial furniture trend. Popular in New York City lofts and that cool bar down the road, this trend is definitely here to stay.

Powder-coated steel frame

Powder coating is a dry finishing process that adds a high quality and durable finish to the steel in this design. Powder coating ensures that your new household addition will be protected and looking good for years to come.
