MORE INFORMATION

High back seating

Sit back and relax with this design's high back seating, designed for extra support and comfort (the fact that it also looks elegant and sophisticated is just an added bonus!)

Skipper fabric

Get ready to meet your new favourite fabric — Skipper! This beautiful fabric is water repellent, meaning any splashes will simply bead up and wipe away in seconds. It's also incredibly easy to clean and nasty stains will have a pretty hard time to settle into this stain resistant fabric.

Includes matching ottoman

Kick your feet up and prepare to relax in style with this lounge's matching ottoman. We think the two suit each other so much we're throwing it in for free. Have a relax on us!

High density resilient foam

Nobody wants their furniture to be misshapen and uncomfortable. That's why this piece is built with high quality dense and very resilient foam that will hold its shape and provide comfort throughout all uses.

Fits the whole family

Sometimes bigger really is better. This lounge is a large one and is perfect for fitting the whole family with plenty of room to spare. This lounge is perfect for home theatres, living rooms, and anywhere you want to stretch out and relax.
