MORE INFORMATION

Protection against allergies and asthma

This mattress is covered by a health vantage protection that helps prevent and protect you from allergy and asthma symptoms commonly caused by other mattresses. No sneezing or wheezing with this mattress in your bed!

Fully orthopaedic mattress

This mattress has been designed to support your joints, back, and overall body to keep it comfortable and supported. Even if you don't experience orthopaedic pain currently, it's never too early to start looking after your body!

Comput-tech postural zone support

Meet the Compu-Tec spring system: an innovative support system using bonnell springs (the strongest spring on the market) to give you unparalleled support.

Non-flip mattress

This mattress is fitted with a supportive base and plush, comfortable layers on top so you can forget having to flip your mattress to keep it comfy.

Center zone support system

The center of your mattress is where the most support is needed. Your hips and lower back need support, and your mattress needs the support to prevent sagging. That's why this design is fitted with extra center zone support to make sure you (and your mattress) stay supported all night long.
