Looking to complement this design with another? We've planned ahead for you. We offer a matching product range under the same name - give it a search and start mixing and matching!

Contemporary look

We scour Pinterest boards, Instagram feeds, and all the latest trends to find cutting edge contemporary looks and designs to supply to you and we believe this design captures all of the best bits of that research. This piece is modern and trendy, but timeless enough to suit your room for years to come.

Pick your size

Fan of this design but not the size? Search the product name and you'll find size option/s available right now to suit your space!

Synthetic-cement table tops

Who said cement is just for sidewalks? This beautiful tabletop is crafted from a specially-formulated synthetic cement to create a hard-wearing cement-look finish that is significantly more scratch-resistant than most cement products on the market today. So it's safe to say, this is one sturdy design.
