

Get your hands on the luxurious Mlily Charcoal Infused Mattress Topper today to experience the incredible absorption properties, even temperature and odour control, and the next level comfort of the infused memory foam.

DIMENSIONS

1530W x 2030L

MORE INFORMATION

Memory foam for extra support

This pillow/mattress topper is complete with a memory foam layer to help support a healthy alignment of your spine and reduce stress on pressure points — in short: less back pain, more comfy snoozes.

Absorbent charcoal

This product's charcoal properties help absorb excess moisture and odour that naturally accumulates over time. These same properties also help control and regulate temperature and breathability to make sure you don't wake up sweating or freezing.

Zippered washable cover

Cleaning your mattress topper is ultra easy. Simply unzip the cover, follow the cleaning instructions, and then zip it back into place! Almost too easy.

Vacuum packed for easy transport

This product is vacuum packed to make sure setting it up and transporting it from store to home or room to room is easy and safe. Please allow 12-24 hours for the topper to recover its full shape and reach its full comfiness potential!

Mlily brand product

Mlily is a long time trusted name in the world of mattresses and bedding and for good reason! With decades of experience and innovation, Mlily have continually provided the most advanced, innovative, and comfortable products on the market — and we just can't wait to have you experience them!
