MORE INFORMATION

Mountain ash timber

Harvested from one of the most massive trees in the entire world, mountain ash timber is a material to not look past.

Mountain ash is a light coloured timber with a beautiful straight grain, giving it a distinctly clean and neat look.

This timber is incredibly durable and makes for a great addition to any room.

Matching product range available

Looking to complement this design with another? We've planned ahead for you. We offer a matching product range under the same name - give it a search and start mixing and matching!

Sturdy metal handle/s

We've affixed strong and sturdy metal handles to this design to keep it solid and secure as well as looking great.

Wire brush finish

Wire brushing creates a subtle but smooth texture to timber or metal while keeping it pleasant to the touch. This process both adds a stylish textured effect to your piece as well as increasing the durability and masking any small scuffings.
